"I suffered from Herniated Ruptured Disc for 16 years. After getting my back realigned, I was still in pain, until I used the HealthPoint. I felt relief immediately. I used it and went to bed and slept as if I had never had back trouble. I get immediate relief every time I use it. Now I use it to help back pain, foot pain, sinus, and bursitis. I can now move free of pain and enjoy life. I would not leave home without it."

- F.B USA

"I really like your product it came in very handy after my knee surgery and after I had a series of needle acupuncture treatments on my knee to reduce the swelling."
